BIRDING AND CULTURE
MACHU PICCHU AND MANU

16 days

We will visit one of the most marvelous historical place Machu Picchu, Cusco and its surrounding. After we will continue to Manu. Manu Biosphere Reserve has the highest biodiversity of any protected area in the world. A trip to Manu is a trip to one of the world's great wilderness areas where wildlife is still plentiful and over 1000 species of birds have been recorded. We regularly record 600 species on tour.
